---

**Church Grounds Clean Up Day!**

April 8 from 8:00 am to Noon
Help us to keep our landscape areas clean and beautiful!
HELP FPC GO GREEN!

The improved recycling program at church helps us reduce our landfill waste, but it is only the beginning to being sustainable. Here are some things you can do to help:

1. Bring your own travel mug of coffee cup on Sundays to reduce Styrofoam waste. (it can’t be recycled in normal operations)
2. Follow the signs on the bins to make sure the waste is put in the correct bin.
3. Think REDUCE before RECYCLE. It’s best to reduce or eliminate the usage of things that have to be thrown away.
4. Bring your small batteries and ink cartridges to the church to be recycled. (bins are in the coat racks before Fellowship Hall)
5. Recycle at home. (There is a SUSTAINABILITY FACT SHEET by the battery recycling bin!)

Feel free to contact me if you have questions about how to be better stewards of our Earth!

Lucas Clay
Building Superintendent
