**Lenten Worship**

As we move through the season of Lent, our worship will take on a more subdued tone. In particular, our music at the 11:00 service will reflect a pairing down, with the voice of the choir being heard in different ways and hymns that are meditative in nature. Less pomp and circumstance, more introspection.

We invite you to enter into this season of quietness and simplicity as we prepare for the holy extravagance of Easter to come.
