Come visit with others and share perspectives on a Jesus-focused life that can be transformational for everyone! We’ll be exploring themes related to who God is, who we are and what God desires to do through us in our second annual “Garden Conversations” series.

A booklet titled “Growing Up: A Lifelong Journey” will form the core of our conversation. Using seven short reflections in preparation each week will help us all give thought to what it means to live in God’s love every day. We started on June 6th, but you can still join us anytime. Please call the church office to reserve your booklet, the cost is $5.00, payable when you receive it.

This series is open to the First Pres family and all others. Gathering begins at 5:30 (for those who bring a meal or just want to hang out) and the discussion will run from 6:15-7:00. Don’t forget to bring a chair or blanket!

Our annual trip to hear the Indianapolis Symphony Orchestra's "Star Spangled Fourth" will be on June 29.

Cost will be $32 if you need to buy a ticket and want to sit at one of the picnic tables near the stage.

$12 if you already have a ticket and want to sit at one of the tables.

Bring your own picnic food to share at the table.

The church bus will be available for those who don't want to drive.

We will leave early to watch pre-concert events, between 4:00-4:15.

Call the church office by June 22 to reserve space.

GENEROSITY COMMITTEE UPDATE

Over the next several months, the Generosity Committee will be highlighting a few of the organizations our church supports throughout the year. It is easy to see how our pledges and gifts are used within the building. However, the church’s mission reaches far beyond its walls. The level of support varies from organization to organization and cause to cause, but all of this support spreads God’s love across our community and other countries.

Home Savers of Delaware County is one of the many organizations we support each year financially and through the time and talents of several members of the congregation. Home Savers makes urgent repairs and accessibility improvements for low-income homeowners in Delaware County. The organization’s vision is that every home should be safe, warm and dry; being accessible to its residents, with dependable heating, plumbing and a watertight roof. Home Savers uses teams of volunteers to build wheelchair ramps, providing opportunities for churches, businesses, neighborhood associations and other civic-minded groups to participate in "hands-on" projects that make a huge difference in the quality of life for our neighbors.

Although Home Savers uses many volunteers, the cost to make emergency home repairs can be significant. Our gifts help others in our community keep their homes safe and warm. God’s love truly does extend beyond our walls and touches the lives of many.

All are welcome!
