“First Pres Vital Signs”
by Pat Smith

It’s a great time for an annual “spiritual,” a conversational assessment about our overall health as the people of God called First Pres! Utilizing an assessment called the “7 Marks of Vital Congregations,” we’ll explore topics like what it means to be a lifelong apprentice of Jesus, what it means to tell others about Jesus and his message, how to live for the sake of others in invested ways that truly make a difference, godly leadership, Spirit supplied worship, how to deeply care for one another and the most telling ways to be healthy organizationally.

It all starts Sunday morning, March 24th and runs through the rest of our Spring semester. Come join us in Fellowship Hall for refreshments at 8:45 and class that will start promptly at 9:00 to allow for a full 45-minute conversation. It’s all being done so we can learn how to live with full and vibrant health for the purposes of God.

Best Wishes to Jeff and Tracy in their New Endeavors!

Please mark your calendar and plan to join us on Sunday, May 19 from 2-4 pm as we say farewell to Tracy and Jeff Clinger as they begin the next chapter of their lives in Ohio.

Tracy has served our preschool as a teacher and director over the past several years. We want her to know how much we appreciate and love her for all she has given to the preschool program. Jeff and Tracy have been faithful servants and members of First Presbyterian Church. Please join us for this celebration and help us spread the word. If you can not attend the Open House please feel free to send a message, a note or card to 1400 W. Riverside Ave. Muncie, IN 47304.

May 19: South View volunteer recognition during Sunday worship. We would like to honor all those who have logged in any hours on behalf of the school/teachers.

May 24: Teacher Work Day. Help a teacher close their classroom for the year. No background check needed since children will not be present. 9-3 or any hours within that time frame. It would be terrific if all 30 teachers had a helper. If you are interested, contact Laura Smith.

A great idea from Debbie Foster and Karen Hayden: a group of volunteers who would be willing to work at home during the summer on teaching materials. We are working with a group at South View to make a list of tasks and send out a survey to the teachers early May. If you are interested, contact Laura Smith.
