NOTICE CONCERNING FIRE SAFETY PROTECTION

First Presbyterian Pre-Kindergarten
1400 W. Riverside Avenue
Muncie, Indiana 47303

Dear Parent(s) or Legal Guardian(s):

Under Indiana law, a child care ministry may choose not to provide certain fire safety protections if the parent(s) or legal guardian(s) of each child is/are notified about the absence of the fire safety protections. The purpose of this notice is to advise you that this child care ministry does not have the same level of fire safety protection as a licensed child care center. As you have already been notified, the child care ministry does not have to comply with the same sanitation, life and fire safety rules as a licensed day care center. The reason you are being given this notice is that this child care ministry has chosen not to provide the fire warning system required in IC 12-17.2-6-5 (c) (1) (A) nor IC 12-17.2-6-5 (c) (2) (A). This form is stating that the ministry does not have the same level of fire safety protection as a licensed child care center.

I/we, the parent(s) or legal guardian(s) of ____________________________ acknowledge that I/we have read and understood the above notice concerning fire safety protection.
